

INVITATION TO INFORMATION SESSIONS FOR PENSIONER MEMBERS

Dear Pensioner Member of MBMed Medical Aid Fund

You are invited to attend a Member Information Session in March 2026.

The main channel for the Information Sessions will be online using a dedicated online webinar platform. Four online webinars will be hosted by MBMed.

All members will receive an emailed invitation to all of the online webinars. You may attend more than one webinar. In fact, you may attend as many as you like! Each webinar can accommodate 1000 participants.

Each session will be 90 minutes long and will include:

- An introduction to the Trustees
- Contributions and benefit enhancements for 2026
- The outlook for MBMed
- An overview of some frequently asked questions

There will be sufficient time for discussions, questions and answers.

The Scheme will also host a number of in-person sessions for pensioner members only.
